PROTOCOLS

Zionist Plan For World Conquest

"... the Protocols ... have fitted the world situation up to this time. They fit it now."

—Henry Ford, Sr. 1921

By Elizabeth Dilling
Box, 659, Chicago, Ill.

What are these "Protocols of the Elders of Zion" which refuse to stay dead? What is a "protocol" anyway? In diplomacy, says the dictionary, protocols are "a signed document containing a record of the points on which agreement has been reached by negotiating parties preliminary to a final treaty or compact."

The above Protocols of the Elders of Zion are a program for the enslavement of the world and the destruction of the Christian religion above all. Their circulation incites atom bomb-like fury on the part of the people who today claim that their religion is Pharisaism.

This statement, for example, in the Universal Jewish Encyclopedia (1943), is typical:

"The Jewish religion as it is today traces its descent, without a break, thru all the centuries, from the Pharisees.

"Their leading ideas and methods found expression in a literature of enormous extent, of which a very great deal is still in existence. The TALMUD is the largest and most important single member of that literature ... and the study of it is essential for any real understanding of PHARISAISM."

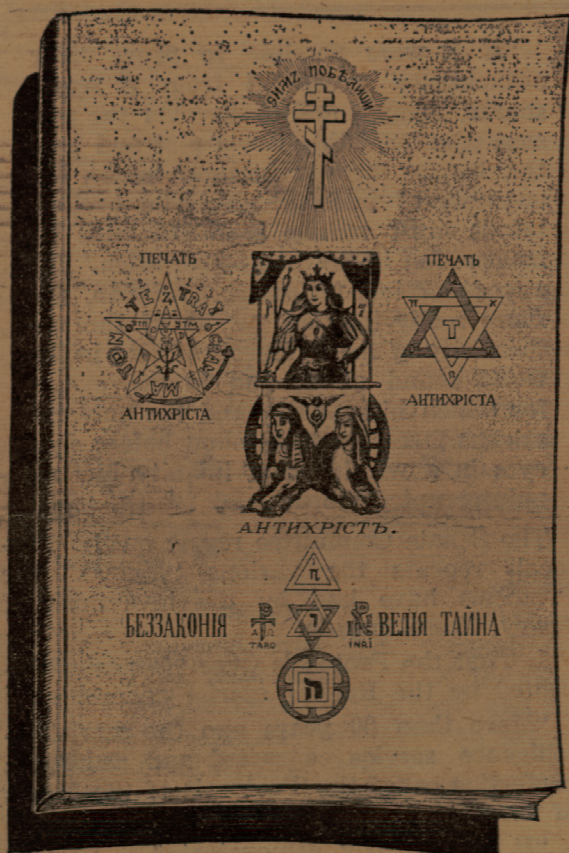

The basic doctrine is that only Pharisees are "men." Others rank as animals to be milked or beefed. Non-Pharisees, to quote, are "the people who are like an ass—slaves who are considered the property of the master" (Kethuboth 111a). They may be killed, their wages withheld, cheated, enslaved. 63 TALMUD books reek with these teachings. The protocols are mild by contrast.

It is true that the non-Pharisee "animals" are called "GOYIM," and that Christ is taught to be deserving of FIVE sadistic deaths—including Crucifixion. And this is the only, the supreme arbiter of religious "LAW" to the so-called Jew of today. Warnings abound that certain things must not be done if there is danger of "profaning the name" of the "Jewish" religion by making its real teachings known. Now we have the first complete English translation of the Tradition of the Pharisees, which is the BABYLONIAN TALMUD, declared complete in writing in Sura, Babylonia, in 500 AD. This is the Jewish-approved SONCINO translation, procurable thru Jewish bookstores for around \$200.00.

Every pagan abomination is argued into approval and permission by the TALMUD, including burning children to Molech, murder, sodomy, incest, etc.

HOOKING THE SENATE COMMITTEE

A well-informed gentleman recently sent me "A Report Prepared by the Subcommittee

Reproduction of cover of 1912 Russian edition of the Protocols of the Learned Elders of Zion.

tee to Investigate the Administration of the Internal Security Act ... To The COMMITTEE On The JUDICIARY, U. S. SENATE" (Research Director, Benjamin Mandel, Jew). It is entitled:

"PROTOCOLS of the ELDERS of ZION —A Fabricated 'Historic' Document." It is dated August 6, 1964 and is a USA Govt. Printing Office job. Its "authorities" are strictly "kosher."

My correspondent writes:

"The Jews have finally managed to get the Senate Committee to take the Protocols off their backs; they are still hoping to have the Crucifixion of Christ removed from their backs by coming Ecumenical meetings! ... Perhaps the PROTOCOLS are no longer of much importance since we now have the unexpurgated TALMUD to use. Nevertheless, as a taxpayer, it seems objectionable that tax money was spent in issuing such a sloppy job of research on a subject about which there is such a vast literature ... One of their authorities cited, John S. Curtiss ... is said to have published his 'impartial study' in 1948. I have a copy of his book, 'An APPRAISAL Of The PROTOCOLS Of ZION ... It was published in 1942, not 1948. ...' He notes that no mention is made of the Appeal decision in the Bern Trial, etc.

THE SENATE JOB

A one-page "INTRODUCTION" (signed by Keating and Dodd) is followed by a three-page declaration entitled:

"A REPORT ON A FORGERY: THE PROTOCOLS OF THE LEARNED ELDERS OF ZION"

After jeering at the literary style of the Protocols, an Encyclopedia Britannica definition is cited:

"The Protocols are supposed to be a report of a series of 24 meetings held in Basle in 1897, at the time of the First Zionist Congress. There plans were said to have been worked out whereby Jews, ... were to corrupt the entire Christian civilization, and on the ruins of Christendom erect a world state ruled over by Jews and Freemasons. Various devices are described which the Jews planned to use; among these the use of liquor to befuddle the leaders of European opinion, the corruption of European womanhood, the stirring up of economic distress, and plans to blow up the various capitals of Europe."

This is in line with Biblical prophecies about the ripening of the Red Satanic Pharisee forces at the end of this period, foreseen by Christ in His Olivet discourse (Matt. 24, Mark 13, etc; II Thes. 2) describing the "falling away" now in our churches, etc., as well as world Red dictatorship.

BUT, an article reprinted by Seton Hall's Institute of Judaeo-Christian Studies is, instead, quoted:

"The more one examines the 'Protocols,' the more they show themselves to be absurd, contradictory, childish ..."

The Institute of Judaeo-Christian Studies is run by a Jewish "convert," Osterreicher, who devotes his time to drooling over the beauties of Talmudism, that is Pharisaism, which Christians mistakenly call "Judaism."

John S. Curtiss

The next "great" authority cited to prove the Protocols a lie and a forgery is John S. Curtiss who lists himself in Who's Who in America as having been on the staff at Columbia University as Instructor of history 1934-36; Brooklyn College 1935-36; archivist of Franklin D. Roosevelt Library, Hyde Park, N. Y., 1941-42 and on his OSS, 1942-45; Fellow of Russian Institute, 1946-48; Guggenheim Fellow 1954-55; author of books on Russia; now on faculty of Duke University since 1945.

But, more interesting than the above affiliations is the fact that CURTISS is a writer for the UNIVERSAL JEWISH ENCYCLOPEDIA on the Protocols (Vol. 11—copyrighted 1941 and 1948) under "Elders of Zion Protocols."
